

## UNIVERSITY DEPARTMENT OF CHEMISTRY

### ABOUT THE DEPARTMENT

The Department of Chemistry has been established in the year 1974. The department was established with an objective of providing quality education in the convocational area of science and growing in to a centre of teaching and research with an aim to achieve prominent position in the academic map of Mithilanchal and particular in India. The Faculty members are specialized in frontier areas of chemical sciences and they have contributed to scientific arena through scientific research and publications and are recipients of many distinguished national and International awards. The department also publishes journal named Mithila journal of Chemistry with ISSN No-2455-0617.

### About Theme

The International Conference on Chemistry of Materials for Sustainable Future (ICMS-2025) focuses on advancing innovative and eco-friendly materials to address global sustainability challenges. It highlights the role of green chemistry, circular economy approaches, and cutting-edge material innovations for energy, healthcare, and environmental applications. The conference aims to foster collaboration among researchers, industry experts, and policymakers to develop sustainable solutions for a better future.. This conference is expected to cover the following areas:

# 1. Green and Sustainable Chemistry #2. Advanced Materials for Energy Storage & Conversion# Nanomaterials and Smart Materials #Environmental Chemistry and Pollution Control # Computational and AI-Driven Material Design# Biomaterials # Natural Product # Recycling # Reduced Carbon Emission

## REGISTRATION

Start :18/02/2025

End : 10/03/2025

## ABSTRACT

Submission Start : 18/02/2025 and End : 05/03/2025
